

LOVE OXFORD? HELP US CAMPAIGN TO SAVE PORT MEADOW

Photo: Adrian Arbib

Port Meadow, with views of the dreaming spires, is "Oxford's oldest monument that has changed little since prehistoric times", says Oxford City Council.

Not any more!

Help us save this ancient landscape from this monstrous development being built right on its edge, destroying much-loved, centuries-old views.

We want planning permission revoked, the buildings' height reduced, proper consultation and to hold the City Council to account. To do this, we need support & funds.

Your donation will be held and managed by local charity CPRE Oxfordshire and will help pay for legal, publicity and other costs in our Port Meadow campaign.

The new Castle Mill development is a planning fiasco, built by an unthinking University of Oxford and approved by an inept City Council.

The University and the City Council say "nothing can be done". But it can! They hope public outrage will subside. But it won't!

SOMETHING CAN BE DONE

YES, I want CPRE Oxfordshire to treat as Gift Aid all subscriptions and donations I make from the date of this declaration until I notify you otherwise.

I confirm I have paid or will pay an amount of Income Tax and/or Capital Gains Tax for the current tax year (6 April to 5 April) that is at least equal to the amount of tax that all the charities and Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for the current tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand the charity will reclaim 25p of tax on every £1 that I have given.

In the event of more money being raised than is needed, funds will be held by CPRE and used for the future protection of Port Meadow and other green spaces in the City of Oxford.
