

WEST OXFORDSHIRE LOCAL PLAN EXAMINATION

POSTPONEMENT OF HEARINGS

Due to serious personal circumstances which have unexpectedly arisen, the Inspector is unable to conduct the hearings planned to start 6 October. No hearings will now take place that week. These hearings are postponed and will start on 24 November (the week provisionally planned for the 2nd stage of hearings).

The deadline for all the Statements of Common Ground specifically requested by the Inspector is extended to 30th October. This applies to both the short SCGs on housing delivery on the allocations, intended for the first week of hearings, and the more complex SCGs intended for the 2nd stage hearings.

The Inspector sincerely apologises for the inevitable inconvenience that this postponement will cause to parties
