Dear 

Oxford to Cambridge Expressway

Following a Motion which was agreed at the Full Council meeting of Oxfordshire County Council on 12 December 2017, I have been requested to write to you requesting a Public Enquiry into the need for the road and the selection of a route, so that everyone involved has the opportunity to have their views properly taken into account, and to set up a cross-party Committee to look at all aspects of the impact of the Expressway.

I would be very grateful for an acknowledgement of receipt of this letter.

Yours sincerely
