Within this site area lays the Bridge Street Community Garden which is designated as **Local Green Site**

There is no reference to this overlap of land allocations nor how any conflict should be resolved

(Continue on separate sheet if necessary)

5. Please set out what change(s) you consider necessary to make the Local Plan legally compliant or sound. Please provide any suggested wording or re-wording you consider necessary.

There are several site specific requirements listed, specifically “Green and Blue Infrastructure” and we feel that a further requirement should be included to respect and retain the characteristics of the Local Green Space in order to protect this area in the event of conflicts that may arise from the overlapping of mappings. It must be clear that the Local Green Space is protected and preserved.
